

## Mount Hermon's

*With Technical Ministry Retreat presented by Zamar Media Solutions*

### Featuring:

*Matt Redman Tommy Walker Leeland Brandon Heath Charlie Peacock Brenton Brown  
Vicky Beeching Ken Reynolds Mia Fieldes*

New this year, Zamar Media Solutions is on board to present programming for a Technical Ministry Retreat for those wishing to become a sharper tool for the Kingdom within tech ministries. This year's conference will afford tech attendees the same restorative retreat experience that songwriters have had to themselves for the past two years in a place that feels almost supernatural in its peace and anointing. Zamar's course offerings are also intended for singers and songwriters who wish to enhance their understanding of how these vital technologies can help their storytelling.

### Distinguished Faculty

## Open Mic/Open Mixer Night

We'll host an evening of impromptu performances by the songwriters in attendance; you'll have the opportunity to step behind the board and mix, with the benefit of an experienced sound tech at your side encouraging you to experiment with the skills and techniques you'll learn during the day.

## Exhibit Hall

See the products that represent the technologies we're teaching on. Speak with manufacturer's reps and get your questions answered. We guarantee they'll be loads more helpful than the guys at the local music store:
